Light Breaching Kit

HS code

8205598000

Nato Stock Number

NSN: 0000000000000

General Information

- The lightest and most versatile Breaching Kit available on the market. For standard use in patrol cars, emergency services and military units.
- After a short training program, an operator will be able to open both inward and outward opening wooden and steel doors regardless of the security, and all type of glass including high level laminated security glass.
- The purpose of this Kit is to provide the officer/operator with an easily transportable light-weight set of tools that allows them access as and when required.
