

We like to invite you to a two-day Instructional Mechanical/Hydraulic breaching course by SET Training Academy.

Location: Terminalgatan 24, Vellinge, Sweden (located 15 min from Malmoe and 4 minutes from Copenhagen airport).

The aim of this course is to qualify Mechanical Breaching Instructors using SET innovative trade tools with and without hydraulic breaching equipment. Attendees will be trained in the safe, proper use of SET breaching equipment and training doors. After completing our course, you will have a firm grasp in training end users in mechanical and hydraulic breaching.

Upon course completion, participants will receive certification from SET BREACHING as a nominated SET instructor
